To Our Valued Customer:

Citizens Water Resources ("Citizens") has agreed to sell all of its water and wastewater operations to American Water Works Company, Inc. ("American"). This includes Citizens' water and wastewater operations in Arizona. American will operate in Arizona as Arizona-American Water Company ("Az-Am").

Citizens and Az-Am have filed a Joint Application with the Arizona Corporation Commission for an Order authorizing the transfer of all Citizens' water and wastewater utility plant, property, and other assets in Arizona. The Joint Application also requests permission to transfer all related Certificates of Public Convenience and Necessity ("CC&Ns") from Citizens to Az-Am. The Joint Application further requests the granting of any related approvals as may be necessary for Az-Am to acquire such assets and to thereby obtain the right to furnish water and wastewater service within the geographic areas covered by the CC&Ns.

American is the largest and most geographically diverse investor-owned water utility business in the United States. Its utility subsidiaries and affiliates now serve approximately 10 million people in 23 states.

For more information, please contact our Citizens office in Sun City, Arizona at (623) 974-2521, or Citizens office in Bullhead City, Arizona at (520) 758-1146.
